WARNING This manual, and the specific INSTRUCTION MANUAL, should be read thoroughly prior to pump installation, operation, maintenance or troubleshooting Manual No GTS/2300 CA-1 Rev 0 July 1998 TM This manual now is identified as ...

Original Operating Manual - IMO

screw pumps) • For stub shaft coupled pumps (LPD and ACD) connect motor and stub shaft directly • For other series use elastic coupling according to DIN 740-2 • Use coupling guard with the following requirements: - Fastening elements must be connected to the ...

THREE-SCREW PUMP SOLUTIONS

Our three screw pumps from Imo and Allweiler incorporate a positive displacement rotary design consisting of a housing, which envelops the drive screw (power rotor) and the sealing screws (idler rotors). The intermeshing of the threads of these rotors, along with the close fit of the surrounding housing, creates a moving labyrinth seal.

Installation and Start-up Instruction - Microsoft

Low pressure pumps Installation and Start-up Instruction Screw pumps LP 120502 GB 2 www.imo-pump.com LP 120502 GB These instructions are valid for all low pressure pumps as specified in the Pump identification chart below.

Warren Pumps GTS 2100 Series

GTS 2100 Series Medium Pressure Two Screw Pumps Formerly a product of our sister division IMO Pump, the GTS product line has now moved to Colfax Pump ...
